

SecurityBridge Announces CEO Transition to Accelerate Global Expansion

Ingolstadt, Germany, January 12, 2026 - [SecurityBridge](#), a leading provider of cybersecurity solutions for SAP, today announced the appointment of **Jesper Zerlang** as **Chief Executive Officer**, effective January 1, 2026. Zerlang transitions from his role as Chairman of the Board, a position he has held for the past 12 months, as the company enters its next phase of international expansion, backed by funds advised by **BU Bregal Unternehmerkapital** (BU).

SecurityBridge protects SAP environments for large enterprises by reducing cyber risk across mission-critical SAP landscapes. The company is trusted by global customers to safeguard systems that power core operations, financial processes, supply chains, and digital transformation programs.

“SecurityBridge is uniquely positioned at the intersection of cybersecurity and SAP – a domain I know deeply and care about profoundly,” said **Jesper Zerlang**, CEO of SecurityBridge. “Over the past year, as Chairman, I have seen firsthand the strength of the team, the technology, and the outcomes we deliver for customers. With BU’s support and a clear ambition to scale internationally, I am excited to step into the CEO role to accelerate global impact while raising the bar on trust and customer outcomes.”

Leadership Transition and Founder Roles

SecurityBridge founders **Christoph Nagy** and **Ivan Mans** will transition out of their day-to-day operational roles as CEO and CTO, respectively. They will remain strategically central to the business in pivotal roles focused on product evangelism and high-impact, customer-driven initiatives, leveraging their SAP engineering depth, credibility, and long-term product vision.

“SecurityBridge has grown into a remarkable company with a strong foundation and a clear mission,” said Nagy, Co-Founder of SecurityBridge. “This transition strengthens the company’s ability to scale globally while allowing us to focus where we create the greatest value for customers: product leadership, innovation, and engagement with the SAP ecosystem.”

“We are fully supportive of this exciting transition and look forward to contributing in roles that amplify our technical focus and customer impact. SecurityBridge’s opportunity ahead is significant, and this step positions the company strongly for the next stage,” added **Ivan Mans**, Co-Founder of SecurityBridge.

About SecurityBridge (SB)

SecurityBridge is the leading provider of a comprehensive, SAP-native cybersecurity platform, trusted by organizations worldwide to safeguard their most critical business systems. Our platform seamlessly integrates real-time threat monitoring, vulnerability management, and compliance capabilities directly into the SAP environment, empowering organizations to protect their data's integrity, confidentiality, and availability with minimal manual effort. With a proven track record, including a stellar customer success rating and over 8,000 SAP systems secured globally, SecurityBridge stands out for its ability to accurately provide a 360° view of the SAP security posture, ease of use, rapid implementation, and transparent licensing. We are committed to innovation, transparency, and customer-centricity, ensuring businesses can confidently navigate the evolving landscape of SAP security threats.
